

Curriculum Vitae

Name: Professor Dr. Shihab Ahmed Lafi
Surname: Al-Obaydi

Place and Date of birth: Iraq, Alanbar Governorate , Hit City / 14 July 1958

Marital status : Married

Nationality: Iraqi

Country of residency : Iraq

Sex: Male

Address : Iraq , Al-Anbar Governorate, Hit City ,
Qadisya Locality , Nearest to Hit General
Hospital

Occupation : Professor Medical Microbiology and
Immunology
,Department of Microbiology ,
College of Medicine , Anbar University ,
Head of The Department .

e mail : shehab_58@yahoo.com

Mobile : 0964 7902836414

English proficiency : Speaking : Good, Reading ,Very good, Writing ,Very good
Listening , Good / Pass Certificate In Living Foreign
Language Proficiency Test , Test NO.1 ,14-4-1990
Baghdad Uni., College of Languages 1990

Computer Proficiency : Windows , Word, Internet , Power point .

Academic Graduation :

- 1- Ph.D., Medical Microbiology 2004. College of Medicine ,Al-Mustansirya Uni.
Baghdad, Iraq
- 2- M.Sc., Vet. Microbiology 1986 College of Veterinary Medicine , Baghdad
Uni.
Baghdad , Iraq .
- 3- B.V.Med & Surgery 1981 College of Veterinary Medicine , Baghdad ,
Iraq

- 6- Member of the Committee for Scientific Upgrading from 2006 to April 2011
- 7- Head of the Department of Medical Microbiology From September 2008 till 2009 .
- 8- Member Of The Consultation Council for the Denary of College of Medicine Anbar University from 2005 till now.
- 9- Director of the Editorial board of Anbar University Journal for Medical Studies from 2010 – October 2011.
- 10- Vice Dean , College of Medicine for the scientific affairs from July –October 2011 .
- 11- Head of the Department of Medical Microbiology From October 2011 till now.
- 12- Member Of the Egyptian Society of Experimental Biology.
- 13- Member of the Egyptian Academic Association of Biological Sciences.

Acknowledgments:

More the 40 acknowledgments from different referees in charge during profession vitae .

Punishments : No punishment .

Scientific CV:

Teaching Activities :

Undergraduate Studies Teaching :

- 1- Teaching of practical biology and invertebrates in Biology Department , College Of Education ,Al-Qadissyea University from 1988 to 23 September 1991.
- 2- Teaching of the Practical and Theoretical Epidemiology for the students of Medical Institute , Al-Qadissyea
- 3- Teaching of the Practical and Theoretical Medical microbiology for the students of Medical Institute , Al-Qadissyea from 1988-1990
- 4- Teaching of Microbiology for the students of the first year Soil Science in Agriculture

College , Al-Anbar University in 1994.

5- Teaching of theoretical and practical lectures of Medical Biology for the first year students at the College of medicine , Al-Anbar University from 1994-2000

6-Teaching of theoretical and practical lectures of bacteriology for the third year students at the College of medicine , Al-Anbar University from 1991 till now .

7- Teaching of theoretical and practical lectures of bacteriology and Immunology for the third year students at the College of Dentistry , Al-Anbar University from 1994 to 2000.

8- Teaching of theoretical and practical lectures of Immunology for the third year students at the College of Medicine , Al-Anbar University from 2003 till now .

Postgraduate Teaching:

1- Teaching practical course of Medical Bacteriology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1994 till now .

2- Teaching theoretical and practical course of Medical Bacteriology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1995 till now .

3- Teaching theoretical and practical course of Molecular Biology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University 1n 1999.

4- Teaching theoretical and practical course of Diagnostic Bacteriology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1995 till now .

5- Teaching theoretical and practical course of practical Immunology for Master students in the Department of medical microbiology College of medicine , Al-Anbar University from 1995 till now .

6- Teaching theoretical and practical course of theoretical and practical Immunology for Master students in the Department of Medical Microbiology College of medicine , Al-Anbar University from 2003 till now .

Publications:

A-Scientific papers :

- 1- Larvicidal Activities of *Bacillus sphaericus* strain 2297 on *Culex modestus* larvae , Published in Iraqi Microbiological Journal Vol.1 NO.1 1993 page 8-14.
- 2- Study on Malta fever in Ramadi . Published in Journal of The Faculty of Medicine , Baghdad Iraq, Vol. 36 , No. 1 , 1994.
- 3- Study on the Well water quality in Ramadi . Published in Al-Anbar University Journal Vol.1 ,No.1 1996
- 4- Study on epidemiology of *Schistosoma hematobium* in Al-Anbar Governorate
Published in Yemen Medical Journal Vol.2 No.1, PAGE 61-64, April 1996.
- 5- Study on Kubaysa spring water quality Al-Anbar Iraq. Published in Al-Anbar Agriculture Journal Vol.
- 6- *Paramecium caudatum* as biological controlling agent for *Fasciola gigantica*
Published in the Proceeding of First conference of College of Agriculture , Al-Anbar University No 465 in 23-August 1997, National Library Index NO.177, Year 1997. IRAQ.
- 7- Study on Bacterial wound infections , Published in Al-Mustanssiryia Biologic J. Vol. 8, No.3 1997.
- 8- Bacteriurea associated with urinary Shistosomiasis , Published in Al-Anbar University Journal Vol. 2, No.1 1998.
- 9- Quantitative Antimicrobial sensitivity test for Clinical *Pseudomonas aeruginosa* isolates taken from Burn patients in Saddam General Hospital , Ramadi Iraq .
Published in Fifth Conference in Al-Anbar College of Medicine 18-219 April 2000.
- 10- Study on preservation of bacterial isolates , published in Sixth Conference in Al-Anbar College of Medicine 18-219 April 2002
- 11- Association of some viral infections with asthma , Published in Al-Kindy College Medical Journal , Vol. 4 , No 2, 2008.
12. *Chlamydia Pneumoniae* and asthma : Serological evidence , Published in Kufa Medical Journal , Vol. 8 , No.1, 2005.

13-Study on some factors associated with eczema , published in Journal of Al-Anbar University for pure Sciences . Vol. 1, No.3 .2007

14- Bacterial infections associated with cutaneous leishmaniasis , published in Al-Kindy College Medical Journal Vol. 4,No.(1) 2007.

15-IgE Specific for *Streptococcus pneumoniae* in Asthmatic patients. , Accepted in Sharja Scientific Journal 2007.

16- Effects of Bacterial infections on eczema, published in Journal of Al-Anbar University for pure Sciences . Vol. 2, No.2 .2008 .

17-IgE Specific for dust contaminant bacteria in atopic rhinitis , published in Diyala Journal for Applied Researches , Vol.4,No.1 2008 .

18- Appendicitis : Bacteriological Aspect and some other factors, published in Anbar Medical Journal , College of Medicine ,Iraq. Vol.1, No. 4, July2009.

19-The study of chromosomal aberrations in mice infested with radiated and non-radiated protoscolices of *Echinococcus granulosus*. Accepted in Diyala Journal for FOR Applied Sciences 2009.

20- A study for the correlation between Eosinophil Derived Neurotoxin (EDN) And Asthma. Iraqi Journal of Medical Sciences , Vol. 7 (2) 2009.

21-Bacteriological and serological study on Synovial fluid from patients with septic arthritis, published in the proceeding of the First International Conference of Biological Sciences and their applications, Egypt Cairo from 27-29 sept.2010.

22- Bacterial infections associated with psoriasis, published in the Egyptian Academic Journal of biological sciences Sept. 2010 .

23- Chlamydia trachomatis and male sterility in Baghdad , accepted in Journal of Egyptian Society of Experimental Biology Faculty of Science 2011.

24-Honey depots phagocytosis Accepted and presented in First Shared Medical Conference and 7th Conference for the College of Medicine from 27-28 April 2011.Al-Anbar University College of Medicine West of Iraq.

25-Antibacterial effect of some Mineral Clays, Accepted and presented in First Shared Medical Conference and 7TH Conference for the College of Medicine from 27-28 April 2011.Al-Anbar University College of Medicine West of IRAQ.

26- Study on some factors affecting immunoglobulin IgG and IgM titers in Neonates , presented and published in the 7th

Annual International Conference of the Egyptian Society of Experimental Biology Faculty of Science , Cairo University 2-6April 2011.

**27- Presentation of brucellosis in an endemic area : West of Iraq
Published in Egypt. Acad. J. Biologic. Sci. , 3(1):13-18(2011).**

**28- Gram positive bacteria isolated from Genital tract infection,
Accepted in 8th Conference of Egyptian Society of Experimental
Biology Faculty of Science Feb. 2012.**

**29- Molecular Detection of 16s r RNA of *Chlamydia pneumoniae* in Asthmatic Patients,
accepted in 7th Conference of Egyptian Society of Experimental Biology Faculty of
Science 2011.**

**30- Bacterial Urinary Tract Infection in Hit District Anbar Governorate
West of IRAQ , Accepted in Fifth Conference of ISCEIT in Dec. 2011.
Egypt Cairo.**

Thesis and books:

**1-M.Sc. Thesis 1986 Study on Toxin production of *Bacillus anthracis* and its
Efficiency in Immunization., Microbiology Department , College of Vet. Medicine
1986 , Baghdad University , Iraq.**

**2--PhD. Thesis 2004 , Study on some immunological and Bacteriological Aspects of
Bronchial Asthma, College of Medicine , AL-Mustansiriya University , Baghdad
Iraq.**

**3- Booklet titled Anthrax ,Some clinical and diagnostic aspects in human and animal
November 2008.**

Scientific Supervision :

MSc. Thesis

- 1- Quantitative susceptibility test for antimicrobial agents against *Pseudomonas aeruginosa* obtained from Saddam General Hospital In Ramadi , 1999.
Student Mushtaq Talib Salih Al-Oukaili**
- 2- Quantitative susceptibility tests for antimicrobial agents against *Klebsiella* Species . obtained from burned patients from three different hospitals,2001.
Student : Sura Khamees Majeed Al Alousi**

3- Identification of *Mycobacterium tuberculosis* and *Mycobacterium bovis* by using morphological properties , some biochemical tests and histopathological changes , 2001.

Student : Ayad Yassen Turkey

4- Study on some Bacteriological and immunological aspects of Eczema, 2007.

Student : Zainab Kamel Yousif

5- Study on Bacteriological aspects of synovial fluid in septic arthritis, 2008.

Student : Omaima Thakir Mahmood Al-Mashhadani

6- Chlamydia pneumoniae triggers asthma: Serological and PCR study 2011

Student: Hatam Abdul Razaq Alsabhany.

7- Study on Antiphospholipid syndrome and Abortion ,

Student; Hameed Mahmood Naief

Discussions and Research qualifications :

PhD. Theses Discussed : 4

M.Sc. Theses Discussed : 16

Qualified PhD. Thesis : 2

Qualified M.Sc. Thesis : 10

Qualified papers : 50

Conferences and Trainings:

1- Conference of Student Researches Qualifications 1989, member of Qualifying Committee, College Of Education Al-Qadisya Uni. Iraq.

2- Forum on Typhoid fever , Head of the Forum , in 1989 at College Of Education Al-Qadisya Uni. Iraq.

3- Forum on Control of Communicable Diseases , Central Medical Labortires , Ministry of Health , Baghdad ,Iraq 1988 .

4- Second Arab Biological Conference , Jordan 1993 , researcher.

5-First 1992 , second 1994, third 1996 , fourth 1998 , fifth 2000, Sixth, 2002 Conferences in Al-Anbar College of medicine as researcher in each one.

- 6-First Conference of AL-Anbar Agriculture college , 1997.**
- 7-Fourth Ecological Conference Taiz, Yemen 2007.**
- 8-Second Environmental Forum , Tanta ,Egypt 2008 .**
- 9-Arab Veterinarians Conference, Baghdad 2000.**
- 10-Arab Veterinarians Conference , Baghdad 2002.**
- 11- Conference Of College of Veterinary Medicine , Al-Qadisiya Uni. Diwanya Iraq 2005.**
- 12-Regional Conference on Avian Influenza virus ,November 2005, Baghdad Iraq.**
- 13 Forum on Zoonotic Disease In veterinary medicine, Baghdad Uni. 2000.**
- 14- Forum on Animal Diseases in Veterinary medicine college , Al-Anbar Uni. Falluja Iraq , 18th . Nov. 2008.,Chairman of Research Qualifying committee .**
- 15 -Training on clinical PCR test in Aleppo Educational Hospital ,College of Medicine Aleppo University , Syria Aleppo From 18-21 August 2008 .**
- 16- Forum on epidemic Flue in College of Medicine , Al-Anbar Uni. Ramadi Iraq , 2009.,Chairman of Research Qualifying committee.**
- 17- Forum on Swine Flue in Veterinary medicine college , Al-Anbar Uni. Falluja Iraq 2009, Member of Research Qualifying committee.**
- 18- The first International Conference of Biological sciences and its applications, EGYPT, Cairo 27-29 Sept. 2010. (Researcher).**
- 19- The 7th Annual International Conference of the Egyptian Society of Experimental Biology Faculty of Science , Cairo University 2-6April 2011 (Researcher) .**
- 20- First Shared Medical Conference and 7TH Conference for the College of Medicine from 27-28 April 2011.Al-Anbar University College of Medicine West of IRAQ.**
- 21-The 40th conference for Iriaqi Medical Association ,Sulaymania IRAQ 27-29 Oct. 2011.**
- 22-Fifth Conference of ISCEIT in Dec. 2011. Egypt Cairo.**
- 23-The 7th Annual International Conference of the Egyptian Society of Experimental Biology Faculty of Science , Cairo University , Feb. 2011. Egypt Cairo.**
